Mikołaj Czajkowski

Lista Publikacji

1. Mikołaj Czajkowski, Ann-Christin Jacobsen, Annette Bauer-Brandl, Martin Brandl, Paulina Skupin-Mrugalska, "Hydrogenated phospholipid, a promising excipient in amorphous solid dispersions of fenofibrate for oral delivery: Preparation and in-vitro biopharmaceutical characterization", International Journal of Pharmaceutics, Volume 644, 2024

2. Mikołaj Czajkowski, Aleksandra Słaba, Bartłomiej Milanowski, Annette Bauer-Brandl, Martin Brandl, Paulina Skupin-Mrugalska, "Melt-extruded formulations of fenofibrate with various grades of hydrogenated phospholipid exhibit promising in-vitro biopharmaceutical behavior", European Journal of Pharmaceutical Sciences, Volume 203, 2024

3. Mikołaj Czajkowski, Aleksandra Słaba, Agata Polarczyk, Annette Bauer-Brandl, Paulina Skupin-Mrugalska, Martin Brandl, "Dissolution / Permeation of Amorphous Solid Dispersions of Fenofibrate & Hydrogenated Phospholipid - Spontaneous Formation of Colloids: Nanofiltration & Particle Size Analysis", Volume 215, 2025
